CLOUDBURST

CG - CHAMPAGNE GOLD

This chandelier blends mid-century modern with space-age sophistication—ideal for upscale dining rooms, creative studios, or hospitality spaces aiming for an artistic edge. This can be shown with the light emitting up or down. The cloudy swirl glass gives it a soft touch to the design.

NOLA

A wall sconce with round clear textured glass is a versatile lighting fixture that brings both elegance and visual interest to a space. The textured glass—as opposed to smooth or frosted—adds a layer of complexity by distorting the light slightly, creating subtle reflections and shadows, while still allowing visibility of the bulb.
