THE **BOUGIE**

This series comes in several different models depending on the number of light bulbs. The light is designed with a candelabra based bulb covered in spherical glass with a choice of Aged Gold Brass or a Chrome finish. All sizes of this series are available with Clear or Opal glass. Both finishes are completed with a black fabric cord. You can hang these fixtures with different lengths of cord depending on the look you are going for. The ring that keeps the cords tight can also be removed if so desired.

THE ORIGAMI

The body design resembles the Japanese traditional paper craft, *Origami*. The metal lampshade itself consists of 2-dimensional geometric shapes folded together like a fan. The geometric shapes used includes a number of different triangles, which creates a look of a 3D visual effect. This fixture is available in two sizes and comes with Brushed Gold accents, a white fabric cord and a white canopy.

OUTDOOR LIGHTING

CROSBY

MB - MATTE BLACK

This exterior wall light features a rectangular design with a sturdy Matte Black metal frame and clear glass panels, allowing the bulb to be fully visible. The clear glass gives it a clean, modern look while its classic lantern shape adds a touch of elegance while still being suitable for contemporary settings. The clear glass and open design work well to showcase decorative filament bulbs, adding warmth and character to the light.
